

SMOKY MOUNTAIN JACK TALES - 2017

Adventure Bound Camping Resort - abgatlinburg.com

Hit the road to adventure with trickster-hero Jack, celebrating 31 years of storytelling fun. **Jack Tales** are traditional folk stories that Appalachian settlers brought to America and adapted to these mountains. Many were first published in the Richard Chase 1943 folk classic, *The Jack Tales*. Since 1987, Lew Bolton, supported by Adventure Bound Camping Resort, has nurtured this cultural heritage as Jack Tales Storytelling Theater. Adults and youth can take part in this interactive storytelling. The 2017 season features Jack Tales performances on most Saturdays. Plus, other family storytelling and/or music shows.

Smoky Mountain Jack Tales of Winter and Old Christmas contains 21 of Bolton's read-aloud stories. To view his readings: [SevierCoLibraries - YouTube.com](http://SevierCoLibraries-YouTube.com).
